Guide d'enseignement : Livret d'alphabet

Utiliser ce livret d'alphabet pour enseigner les aspects suivants :

- le nom et le son de chaque lettre de votre alphabet
- comment écrire et lire la minuscule et la majuscule de chaque lettre
- que le point final marque la fin d'une phrase
- que nous lisons de gauche à droite
- que chaque lettre a un son différent
 - pratiquer l'écriture des lettres

Toujours commencer par une petite révision de la lettre de la veille, des mots-clé et de la phrase simple.

1. Activité des mots-images

1. Enseigner le nom et le son de chaque lettre. Écrire la lettre, par exemple A a, au tableau et demander aux apprenants de dire le nom et le son de chaque lettre.
2. Demander aux apprenants de regarder chaque image et de dire ce qu'ils voient.
3. Montrer le mot en bas de chaque image, lire les mots et demander aux apprenants de regarder et lire les mots avec vous.
4. Faire lire les mots par quelques apprenants.

5. Dire l'un des mots. Demander aux apprenants de chercher ce mot avec son image et de le lire.
6. Faire beaucoup de pratique de cette façon, jusqu'à ce que les apprenants arrivent à lire chaque mot.
7. Écrire les mots sur les petits cartons. Demander aux apprenants de faire correspondre le carton-mot avec le bon mot/ image sur l'abécédaire.

2. Activités avec la boîte à images

1. Demander aux apprenants de bien écouter pendant que vous dites chaque mot illustré dans la boîte à images. Prononcer chaque mot clairement et lentement.
2. Prononcer encore chaque mot. Demander aux apprenants de frapper les mains s'ils écoutent le son de la lettre du jour au début d'un mot.
3. Pour chaque image, demander aux apprenants si le mot commence par le son de la lettre du jour ou par un son différent.
4. Demander aux apprenants de montrer les images qui commencent avec le même son que la lettre du jour et de prononcer le mot. Vérifier que tous les apprenants arrivent à faire cette activité. Aider ceux qui ont des difficultés.

3. La phrase

1. Écrire la phrase au tableau. Lire la phrase aux apprenants deux fois. Montrer les mots en lisant.
2. Faire le plan de lecture du texte, étapes 2 à 5.
3. Chasse aux mots : Demander aux apprenants quels mots dans la phrase commencent avec le son de la lettre du jour. Montrer aux apprenants ces mots dans la phrase.
4. Majuscule : Expliquer/ rappeler aux apprenants que nous écrivons la grande lettre au début d'une phrase ou pour un nom important et que le reste des lettres sont petites. Montrer la majuscule.
5. Point final : Expliquer/ rappeler aux apprenants que le point final indique la fin d'une phrase. Montrer le point.
6. Chasse aux mots-clé : Demander aux apprenants de chercher le mot-clé (de l'activité des mots-images) qui figure dans la phrase, avec le carton-mot si possible
7. Lire le mot avec les apprenants.

4. L'écriture

1. Expliquer aux apprenants comment écrire la lettre du jour – minuscule et majuscule.
2. Demander aux apprenants de pratiquer en écrivant en l'air avec le doigt.

3. Demander aux apprenants de pratiquer dans leur cahier/ sur leur ardoise.
4. Les apprenants qui finissent vite peuvent essayer d'écrire l'un des mots-images.

Plan de lecture du texte

1. L'enseignant lit **tout le texte aux** apprenants.
2. L'enseignant lit le texte **ensemble avec tous** les apprenants.
3. L'enseignant lit le texte **avec quelques apprenants individuellement**, un à un.
4. Quelques apprenants lisent **individuellement seuls**, un à un.
5. L'enseignant lit le texte **ensemble avec tous** les apprenants.

Important à noter !

Aux **étapes 2, 3 et 5**, l'enseignant lit toujours **en même temps que** les apprenants. Les apprenants ne devraient **PAS** répéter après l'enseignant.

À l'**étape 4**, si un apprenant rencontre des difficultés, l'enseignant relit la phrase avec l'apprenant.

Aux **étapes 3 et 4**, il s'agit de **volontaires** parmi les apprenants, pas d'apprenants désignés par l'enseignant.
